To report a suspected violation, call or report online

**MAKE THE RIGHT CALL**

**REPORT ONLINE AT: [DaVita.ethicspoint.com](https://DaVita.ethicspoint.com)**

DaVita has a dedicated Compliance Hotline for teammates and other individuals to confidentially, and if permitted by local law, anonymously report a suspected or actual violation of DaVita's Compliance policies and procedures, or applicable laws and regulations. The Compliance Hotline can be accessed 24 hours a day, 365 days a year via a toll-free telephone number or online website. A specialized third party company manages our Compliance Hotline. Callers are given a report number and are instructed to create a PIN (personal identification number) to check the status of their Compliance Hotline report or provide additional information.

Compliance Hotline reports should be made in good faith. DaVita prohibits retaliation against a person making a report in good faith.
