*Indicates that a DaVita teammate or affiliate serves on the Board or in another similar leadership position with this trade association.

DaVita's Position on Key Policy Priorities

As a general matter, the lobbying and advocacy efforts of DaVita's federal and state government affairs teams are intended to educate individuals elected to federal and state public office and those who serve in governmental agencies about kidney care issues, the challenges patients with kidney disease face and efforts relating to our teammates. DaVita's bipartisan lobbying and advocacy focus areas include, among other things:

- Providing integrated care to our patients
- Innovating in home health
- Stabilizing payments under Medicare and Medicaid
- Ensuring dialysis patients have a choice of health insurance coverage
- Promoting chronic kidney disease education, home dialysis, and access to transplant

- Health equity among patients with kidney disease
- Ensuring that health care models related to kidney care can be implemented in an effective and efficient manner
- Restoring the protections under the Medicare Secondary Payor Act for dialysis patients

The following tables reflect DaPAC and corporate contributions to political parties, candidates or other political committees for the period of January 1, 2026 – June 30, 2026, which are included in the reports as set forth in the links above.
